

English

Class texts:

- The Bog Baby
- The Big Book of Beasts

We will be using these texts to develop our skills of letter formation, using with finger spaces between words and punctuating simple sentences with capitals letters and full stops.

Parent Information

Please see the parent information recording for all the information you need for this this term.

RE

Celebrations linked to the Christian festival of Harvest.

Science

We will be learning animal names from different groups of animals. These groups will then be identified and animals will be classified. We will mainly be learning about: fish, amphibians, birds, mammals and relate this information to pets.

Year 1

Autumn Term 1

Bog Baby The Big Book of Beasts

Geography

We will be learning about habitats of Bog Baby and 'Beasts' (mammals). We will learn about the physical features of these habitats and locate where these animals live using the names of the countries in the UK.

Computing

Computer safety.
Using Beebots to create simple programmes and debug these.

Maths

- Consolidating our knowledge of numbers to 20.
- Sorting, grouping and counting objects, representing these with numbers
- Counting on and back, finding one more and one less than a number
- Ordering numbers
- Partitioning numbers up to 5

PSHE

Understanding feelings and emotions focussing on jealousy.

Fire safety.

PE

Fundamental Skills – Working on the basic PE skills

Dance – Creating dances about the weather and pirates.

Art

We will be learning the primary colours and using these to make secondary colours. We will learn about Henry Rousseau and create an image like his.
