

Year 2 Home Learning Spring Summer 1

Please see below the home learning for Summer 1, the aim is for at least one of these projects to be completed and presented to the class. This term's home learning is a consolidation of last term's learning in school. You have already learnt about these areas so should be able to show off what you've already learnt. The deadline for these to be in school is Monday 19th May 2025.

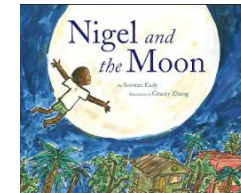

Remember you should also be reading your e book to an adult at least five times a week too and recording this in your reading diary.

Art

In art we will be looking at making 3D sculptures out of clay. Could you use materials you have at home like playdoh to make a 3D sculpture like a plate or a bowl? Could you design a tile for a house? What design would you put on it?

English

For our new text 'Nigel and the Moon' we will be looking at lots of different jobs. Could you make a fact file about different jobs talking about the skills needed and what are the good and bad things about each job?

PSHE

Our learning is based around Friendship with a focus on telling the difference between bullying and falling out with a friend. Could you design a poster to show what bullying is and explain to people what bullying is? You might want to put some advice on there about how someone can get help if they are being bullied.

RE

In this unit we will be exploring the concept Special with a focus on food. Can you make a dish that is special to you?

Take a photo and explain why it is special?
