

# Year 5 Home Learning Spring 2

Our Year 5 weekly home learning expectations are: -

Read your school reading book five times per week.

Develop your times tables fluency using Times Table Rockstars.

Learn your spellings each week.

You are also expected to complete at least one of the projects below which you will bring in to present to the class. This term's home learning is a consolidation of last term's learning in school. You have already learnt about these areas so should be able to show off what you've already learnt!

**The deadline for these to be in school is Thursday 3<sup>rd</sup> April 2025.**

## Art

Create your own futuristic world. This can be through a sculpture or a drawing. Think about how colour can be incorporated. How would you want the world to be in 50 years' time?

## Music

Create a rap about a topic that interests you. Think about how you can incorporate a 'hook' as well as rap sections just like our topic in music.

## Online wellbeing

Turn off your mobile phone/tablet/games console for a week or more. Keep a written diary/scrapbook of the things that you do each day and describe how you feel.

## English

Create your own blurb for a sequel to Kensuke's Kingdom. Think about how you can link the ideas within the first book. Draw your own front cover for your sequel.
