

Year 5 Home Learning Spring 1

Our Year 5 weekly home learning expectations are: -

Read your school reading book five times per week.

Develop your times tables fluency using Times Table Rockstars.

Learn your spellings each week.

You are also expected to complete at least one of the projects below which you will bring in to present to the class.

The deadline for these to be in school is Monday 5th February 2024.

PSHE / PE

Create an information poster about keeping yourself safe in water. This poster is aimed towards KS1 children. How can you make it eye-catching and clear to understand?

Geography

Create a fact file about different rivers around the world. Make sure to include key facts about the different rivers as well as detail on where the rivers are.

English

Create a poem about rivers. This could be in whatever form you would like. The poem needs to be presented with illustrations that link to the poem.

Maths

Create a treasure map using a co-ordinate grid. Create a list of co-ordinate questions for others to solve which will lead them to the treasure.
